# FOURTH GREAT LOOM END SALE

**SALE COMMENCING**  
**SATURDAY Morning**  
**8 O'clock**  
**DECEMBER 2nd**  
 and Closing Saturday Night, December 16

In addition to the enormous quantities of Loom Ends of every conceivable kind purchased from the mills for this, our Fourth Great Loom End Sale, our buyers attended the great Pre-Inventory Sale of Dry Goods by the five big wholesale dry goods houses of St. Louis. This year, for the first time, all the houses selected the same dates for their sale and a grand total of \$8,000,000 worth of seasonable goods was sold by them in one week. There was keen competition among the five big stores—every house knew they had to meet competition. We were advised to come early. The way prices were slaughtered was a caution. We bought! We couldn't help it! The values were simply irresistible. Nor can you help buying when you see the choice selections our buyers were able to pick up in this great \$8,000,000 Clearance Sale. We bought only Seasonable goods such as you want for immediate use. We never heard of such a feast of bargain and you will agree with us if you attend our Great Bargain Feast. We urge you to come early before the lines are broken and get first chance.

## What Are Loom Ends

Every mill and factory in the manufacture of its products, accumulate short lengths or loom ends, too small to make into small bolts. These are thrown aside until the end of the weaving season when they are sorted out, rolled into immense bundles and sold in case lots at so much a pound regardless of cost or quality of material. The price always being much less than cost of raw material.

By a careful system of buying, enterprising merchants whose business warrant the purchase of merchandise in such large quantities, may secure these loom ends of the best merchandise on earth at prices so low as to seem almost ridiculous.

## "Successful"

To make the most successful sale in the history of our business we have decided to reduce to loom end prices every piece of merchandise in our store. Nothing has escaped the keen edge of our cold steel, and the knife has gone to the hilt in every department. Such an unheard-of Feast of Bargains has never been offered in Richmond.

**Loom Ends** has been a by-word in this community ever since we first inaugurated these Great Loom End Sales. The buying public will recognize this occasion as the **Bargain Opportunity of the Season**.
